### Brief Biography:

Patty Maher was born in Toronto and completed undergraduate and graduate degrees in English Literature at the University of Guelph. Maher began her fine art photography career in 2010 and since then her work has been featured on book covers and recognized in numerous online and print publications around the world including a video interview with Yahoo Productions created for the series "The Weekly Flickr". Maher has also received recognition in prestigious photography contests including the PX3 Prie de la Photography Paris, Moscow International Foto Awards, Tokyo Foto Awards, the International Color Awards, Fine Art Photography Awards, and the International Photography Awards. Most recently Maher won the 13th edition of the Julia Margaret Cameron award and was awarded a solo show at Fotonostrum Gallery in Barcelona. She was also named a finalist in the prestigious Hassleblad Masters Competition 2021 in the Art category. Her work has been exhibited internationally and sold throughout the world. Maher's work was also recently included on the list of [35 Most Influential Conceptual Portrait Photographers](#) by the influential ExpertPhotography.com portal.
